

Women of the Bible

110"x125"

Introduction

For centuries, some have inspired, enlightened, and empowered us, while others have remained a mystery to us.

The Women of the Bible continue to teach us how to live authentic, God-touched lives. No matter what our religious backgrounds are, we can find ourselves in the stories of the Women of the Bible.

Throughout this pattern series, you will be introduced to several Women of the Bible through individual quilt blocks. Each pattern begins with historical references and devotional reflection. At the end of each pattern, space is provided for your own personal reflection. You can use this space to recall your personal thoughts regarding the Bible character described, or you can use the space to reflect on your process/progress when constructing the quilt. Your completed journal will become a cherished treasure to accompany your finished keepsake quilt.
